

Growing Great is a non-profit nutrition education organization. Its mission is to inspire children and adults to adopt healthy eating habits. This is accomplished through collaborative programs and services in schools, homes and communities

GrowingGreat Needs You!

- 1. Nutrition Docents:** Attend 5 trainings and deliver 5 lessons in the classroom, throughout the school-year. (3rd, 4th and 5th grade).
- 2. Harvest of the Month Servers:** Serve fresh fruits and vegetables to students once a month during lunch.
- 3. Garden Team:** Help students plant, harvest and maintain the school garden. Grades K-5.

Join us next school-year and enhance our children's appreciation of healthy foods!
