

## Classroom Supplies For Kindergarten

Dear Parents,

We look forward to meeting you and your child in the fall. We are sending you a list of items your child needs for school. Please send only the items on this list. **If BRAND NAMES are specified, please adhere to those brand names.** For example, if the list names Crayola Classic Colors, please only send in Crayola Classic Colors.

We would like to have each child bring a Basic Doodle Pro Board (Equivalent to the "Magna Doodle" with dimensions equivalent to: 18.1 x 12.8 x 1.9 and including the small magnetic shapes) to school. They cost approximately \$15.00. No need to purchase a new one if you one like this around the house. PLEASE LABEL this item with your child's name (and place name or initials on the little pieces). You will need to unpack the Magna Doodle and put the magnets on each individual piece prior to bringing to school. Your child WILL bring this item home by the end of the school year. We will use the Magna Doodle as an integral part of our writing program. If you are sending a well-loved Magna Doodle, please be sure that it has the small magnetic shapes that were originally included).
