

Meadows Student Directory Sponsorship Opportunity

Preparations are in the works by the PTA for the publishing of the new 2003-2004 Meadows Parent Handbook / Student Directory. This directory is a valuable tool to all the Meadows families for their personal use getting to know the students, families and staff that make up the great Meadows community. How could we set up play dates for our children without it?

The sponsorships from our Meadows families offset the cost of publishing this great directory. With these sponsorships, we are able to distribute the directory at no cost to all Meadows families. We invite all Meadows families and/or the businesses of Meadows families to become sponsors and have their names and businesses listed in the directory.

Remember this directory is compiled for the sole use and convenience of Meadows School parents, students and staff, not for commercial purposes.

All sponsors will get a complimentary copy of the directory. It will be great to have an extra directory for your car or office!
